FROM THE GOLF SHOP

Golfers-

July is going to be a busy month here at the club. I want everyone to take a moment to review all of the important dates that we have on the calendar for this month. Please don't hesitate to take advantage of our reciprocal agreements with Berryhills and Edgewood on the days that the club will be closed for events. The Member Guest Tournament is filling up quick so please don't forget to call or stop by the golf shop to get signed up. Once we get the first 36 teams signed up we will begin a waiting list and add another flight once we get 6 more teams. The Men's Club Championship will be held on July 8-9 (morning tee times). We will have the Championship Flight play the gold tee markers and play stroke play (gross) both days. There will be another flight(s) made up of players who will play the blue, white, or black tee markers. These players will play stroke play (net) using their handicaps for both days. This format has proven to be a success in the past couple of years and we hope to have our biggest turnout yet. Players 70 and over will be eligible to play the black tee markers. All players will be playing the tees that they have the majority of their scores posted from in 2017 for the net division. The Ladies Club/Handicap Championship will be held on July 15-16 (morning tee times). The sign up sheet will be posted in the locker room. With so much going on this month we sure hope to see you at some of the events or just out to play a little golf!

See Member-Guest Schedule attached.

Jimmy Harrison,
Head Golf Professional

SEASON REMINDERS

Dress Code Changes: Jeans/Denim will not be permitted for use on any of the golf facilities during the golf season. Please make sure that your attire remains "golf appropriate."

Group Size: Groups may not exceed (4) players during the golf season

Guest Restrictions: A guest may not play more than (6) total rounds per year. The golf staff will be keeping a record of all guest play and hopes that everyone will be cooperative in our efforts to enforce this rule.

Tee Times/Range Hours: Tee times will begin at 8:00 am on weekdays and 7:30 am on the weekends in July. The driving range will be open at 7:30 am Tuesday – Fridays and close at 8:00 pm. On Saturdays the range will open at 7:00 am and close at 8:00 pm. Sundays the range will open at 7:00 am and close at 6:00 pm. The short range and chipping green will close one hour prior to the closing of the main driving range.

Please check the newsletter monthly to keep up with the time changes for each month.

The golf course is coming along nicely with the improving weather. The fairways have been a bit slow filling in. I understand this is due to some lower than usual nighttime temperatures and we have reduced the amount of fertilizer used as a cost saving measure. The greens drainage system is doing its job. The greens are not perfect, but they continue to improve now that subsurface saturation is no longer an issue. I am pleased to announce that participation in the new ladies' league on Tuesday evenings and the couples' league on Sunday afternoons have worked out well with lots of participation. These are a great opportunity to socialize and play some golf. I encourage you to give these leagues a try if you have not done so. As you play golf, please try to fix at least one ball mark on each green. Sometimes ball marks are overlooked, but there seem to be an inordinate number of unrepaired ball marks on our greens this year. We are doing our best to keep members apprised of social and golf events through membership emails. We also have a fairly active Facebook

page with regular updates on all club activities. For those of you who do not use social media, our website: <http://sleepyhollowgolfclub.com> has a calendar tab where you can see scheduled events at the club. This calendar allows you to subscribe with your mobile device or smart phone calendar by clicking the "subscribe" button on the bottom right of the calendar screen.

We will continue to offer live music and other special events as participation has been excellent this year. Please continue to support the club by attending these events. We had approximately fifteen new members over the last month. Increased membership levels and increased participation in club activities will allow us to expand opportunities at the club. The board continues to develop a long range plan the goals of which include maintaining and improving the golf course and renovating or updating the downstairs area of the clubhouse. At a minimum, we hope to have the downstairs patio winterized this fall.

Please advocate the club in the local community. Word of mouth is the best form of

advertising. I appreciate your membership and look forward to continuing our efforts to improve all aspects of the club.

Thanks,

Tom Peyton
