SLEEPY HOLLOW GOLF CLUB

From Our President

Fall at Sleepy Hollow

There is a definite change in pace during the fall at Sleepy Hollow. You can wear jeans on the golf course. You can play in fivesomes. And the large outdoor parties go into hibernation for a while.

But change brings opportunity. It gives us time to experiment with smaller but unique experiences.

As the weather cools and the days get shorter, please watch the calendar for some of these unique events. We will offer experiences like wine tastings, paint and sip parties, and cocktail-making classes. We even plan to have a mahjong class in the near future.

But remember: it's your Club. If there are things you would be interested in doing this fall and winter, please share those ideas. We'd love to hear from you.
I look forward to seeing you this fall.

Details to follow.

We kicked off the month with Boots, Brews & BBQ, an event that blended rustic charm with hearty flavors, drawing a fantastic crowd for an evening of music from Southern Daze, a pig roast buffet, and camaraderie. Soon after, members gathered among the autumn colors for our Fall Harvest Dinner in the Garden, a picturesque night that showcased seasonal ingredients and the beauty of dining outdoors with entertainment by Jim Snyder as the leaves began to turn.

October also marked the start of our seasonal first Wine Tasting of the year, where members explored new vintages, shared conversation, and enjoyed a relaxed, elegant evening. Our New Look Team Trivia continued to build excitement each week, with on-screen questions, a fresh presenter, and specialty pizzas fueling friendly competition and laughter throughout the room.

As Halloween approached, families came together for our Trick or Treat Trail, a festive walk filled with decorated booths, costumed kids, and plenty of candy—ending with a themed Halloween buffet that brought spooky fun to the dining room. Rounding out the month, our Paint & Sip event offered a creative escape, inviting members to unwind with a brush in one hand and a glass in the other, producing colorful canvases and even brighter memories.

Overall, October was a beautiful month for Club activities—well attended, joyfully received, and a true reflection of the spirit of Sleepy Hollow. Thank you for continuing to bring life, warmth, and enthusiasm to every event. We look forward to carrying this energy into the holiday season and welcoming you back for more moments shared together.

Greens & Grounds

Rolling Smooth as Cooler Temps Settle

As we head into November, the golf course continues to provide excellent playing conditions. Our greens are in great shape, rolling smooth and true as the cooler temperatures settle in. The drop in temperatures has allowed us to achieve faster green speeds with relative ease while maintaining consistent putting surfaces. We are pleased with how the greens have performed throughout the fall and look forward to carrying that momentum into the final stretch of the golf season.

Fall color is now in full swing across the property, bringing some beautiful scenery to the course. With the changing colors comes the inevitable leaf drop, and our maintenance team is working hard to keep playing surfaces clear and enjoyable. We have two PTO blowers and a tow-behind Buffalo Blower working alongside our fleet of mowers to mulch and manage leaf debris throughout the property. Crew members are also manually removing leaves from tighter areas where equipment cannot reach. Greens, tees, and fairways are blown clean each morning, with additional cleanup taking place throughout the day as leaves continue to fall.

As we transition toward winter, you may notice that our Bermudagrass tees and fairways are being maintained slightly longer than usual. This is an intentional part of our winter preparation program. Allowing additional height helps establish a denser protective mat of turf heading into dormancy, providing an added layer of defense against potential winterkill. While it may look a little different than the playing conditions you have become accustomed to during the summer months, this precaution is important in helping protect the health and long-term quality of our Bermudagrass surfaces.

November is an important month for preparing the golf course for the challenges of winter while continuing to provide the best possible conditions for our members. We appreciate your patience as our team manages the changing weather and ongoing leaf cleanup.

Enjoy the beautiful fall colors, take advantage of the remaining comfortable days on the course, and thank you for your continued support of our maintenance staff and the work that goes into keeping Sleepy Hollow in great shape.
